

SINGLE FUND NUMBER (SFN) INTERIM FINAL REPORT

Revised December 4, 2013

WHEN IS A SFN INTERIM FINAL REPORT REQUIRED?

A SFN interim final report is required at the end of each budget period for funds that require carryforward approval from the Sponsor. Read the award terms and conditions to determine if carryforward is restricted or automatic. At the end of the project period, a closeout packet takes the place of a SFN interim report. SFN FAQs: <http://ora.research.ucla.edu/EFM/Documents/SFN.pdf>

NOTIFICATION EMAIL FROM EFM

For funds requiring a SFN interim final report, EFM will send an email similar to the sample below. The Fund Manager has **5 business days** to provide EFM with any required Warning/Unallowable justifications and either a) confirm EFM's figures or b) provide EFM with a list of adjustments and the pertinent [backup documentation](#).

EXAMPLE

All data indicated in blue below will be specific to your PI's fund. Colored boxes were added to this chapter to point out various sections below. EFM's email will not have these colored boxes.
