| Monday, April 2   | 11:00 – noon    | 53-105 CHS                      | **Cardiovascular Seminar**  
*Things that Learn versus Things that Don’t: Machine Learning, Artificial Intelligence and Biology*  
*James Weiss, MD*  
Professor, Medicine - Cardiology, David Geffen School of Medicine at UCLA  
Contact - Laura Benscoter - cri@mednet.ucla.edu  
Website: [http://medschool.ucla.edu/cardiovascular-seminar-series](http://medschool.ucla.edu/cardiovascular-seminar-series) |  
Bioinformatics Seminar  
*Integrated Analysis of Single Cell Data Across Modalities, Technologies and Species*  
*Rahul Satija, PhD*  
Assistant Professor, New York University Center for Genomics and System Biology  
Contact – Mandy McWeeney – mandy@lifesci.ucla.edu |  
|                   | 4:00 – 5:00 pm  | 53-105 CHS                      |                                                                        |                                                                                                                                   |                                                                                  |
| Tuesday, April 3  | 11:00 – noon    | C8-183 Semel                    | **Grand Rounds/ Psychiatry**  
*Marine Resiliency Study: A Community Partnership for Prevention*  
*William P. Nash, MD*  
Director of Psychological Health, United States Marine Corps  
Contact – Lydia Nguyen – ldnguyen@mednet.ucla.edu  
Website - [http://www.bri.ucla.edu/events/calendar](http://www.bri.ucla.edu/events/calendar) |  
**BRI / Charles H. Sawyer Distinguished Lecture**  
*Generating Episodic Activity in the Neuroendocrine Hypothalamus for Fertility*  
*Allan E. Herbison, PhD*  
Professor, Centre for Neuroendocrinology, University of Otago, Dunedin, New Zealand  
Contact – Anna Elias – aelias@mednet.ucla.edu  
Website: [http://www.bri.ucla.edu/events/calendar](http://www.bri.ucla.edu/events/calendar) |  
|                   | Noon – 1:00 pm  | NRB Auditorium                  |                                                                        |                                                                                                                                   |                                                                                  |
| Wednesday, April 4| 7:00 – 8:00 am  | 73-105 CHS                      | **Grand Rounds/ Surgery**  
*The Surgeon-Scientist: An Endangered Species*  
*Sundeep G. Keswani, MD*  
Associate Professor, Surgery, Pediatrics and Obstetrics, Baylor College of Medicine  
Contact – Valentin Ybiernas – vybiernas@mednet.ucla.edu  
Website: [http://surgery.ucla.edu/academic-calendar](http://surgery.ucla.edu/academic-calendar) |                                                                        |                                                                                  |
