Five-year Dual Degree track:
Master of Business Administration, Public Health, Public Policy, Clinical Research, Legal Studies and Education.

Medical Scientist Training Program (MSTP) MD-PhD

Eight-year Articulated MD-PhD training track.

OPTIONAL ACADEMIC PATHWAYS

Urban Health Equity Pathway

uclahs.fyi/dgsomuhep •

For students seeking to develop interdisciplinary knowledge, applied skills, and cross-sector experience to address the root causes of poor health in urban communities.

Global Health Equity Pathway

uclahs.fyi/dgsomglobalhealth •

For students committed to global health equity and healthcare access for diverse, marginalized populations.

HEALS: A CURRICULUM FOR A NEW AGE

uclahs.fyi/dgsomcurriculum •

PHASE 1

Case-Based Medical School Curriculum & Early Clinical Experiences

A focus on case-based learning for students to think like a physician from the first phase of medical school.

PHASE 2

Phase 2 offers students a transformative opportunity to put their learning into practice. Through 8 clinical clerkships, continued scientific exploration, and focused intersessions, students advance their journey through a rigorous and immersive medical education.

PHASE 3

Dedicated space for a deep creative and scholarly experience, as well as specialty-specific competency development and internship preparation.

ADMISSIONS

Key Application Requirements

- Bachelor's degree or higher from a U.S. or Canadian university.
- DGSOM will consider applications from U.S. citizens, permanent residents, DACA recipients, or California residents.
