NIH eRA COMMONS ACCOUNTS

Email DOM DRA (domdra@mednet.ucla.edu) to request access. Provide required information in email:

1. Full Name
2. Email Address
3. eRA Commons User Role - https://era.nih.gov/files/eRA_Commons_Roles.pdf
 - Most frequently requested:
 - PI
 - Assistant (ASST)
 - Postdoc
 - Trainee
 - Undergraduate Student

PRINCIPAL INVESTIGATORS: PI access required for PI's to submit NIH grants.gov proposals and/or RPPR Progress Reports, to access the Commons PDF of submitted proposals, check status of proposals, input JIT information and update Commons Profile. PI's that have transferred from another Institution must have their profiles linked to UCLA.

FUND MANAGERS: Commons logon required for FM to assist in preparation of RPPRs & updating PI's eRA Commons profile. Each individual PI needs to designate "Assistant" access to his/her FM.

SCHOLARS: As of 10/01/09, all individuals with postdoctoral/graduate/undergraduate student roles who participate on a project for at least one person month are required to have an eRA Commons ID.

S2S/CAYUSE

This section focuses on how to obtain ACCESS to or create PROFILES in S2S. For more detailed instructions on how to *use/navigate* through S2S:

1. Familiarize yourself with the online Training Guide - <https://ocga.research.ucla.edu/s2s-grants/#modules>
2. Attend the Office of Contract & Grant Administration (OCGA) S2S Grants Basics Training <https://ocga.research.ucla.edu/training-calendar/>
3. Attend the DOM Cayuse/S2S Proposal Preparation Fund Manager Training Session https://medschool.ucla.edu/sites/g/files/oketem306/files/media/documents/ DOMORA Training_Fund-Manager-Training-Schedule.pdf
4. Contact DOM DRA (domdra@mednet.ucla.edu) to set up a 1:1 training time.

S2S/Cayuse Professional Profile

- **PURPOSE:** Allows UCLA personnel to be named in a proposal as senior/key personnel.
 - **Do NOT create professional profiles for Non-UCLA staff/faculty.**
 - Instead use the “Non-UCLA PI #1-23” profiles under “N” that has been pre-established.
- Pre-requisite for User Access/Accounts.
 - Be sure a Professional Profile exists for any individual who needs USER access to S2S, i.e. PI, staff, fund manager, or PI assistant.
 - Profile must be COMPLETELY set up in S2S PRIOR to User Access request.

Who can set up a Professional Profile?

- Anyone who already has User Access to S2S, preferably a Fund Manager, MSO or other Administrative personnel familiar with the S2S system.
- What if there is already a Profile set up for a PI in *your* Division but you cannot make any changes?
 - This indicates another fund manager on campus has already established a Profile for your PI because your PI was listed as senior/key personnel on their proposal prior.
 - How to obtain access to edit your PI’s Profile information:
 - Click on the PI’s Profile
 - Click on the orange key  in the upper right-hand corner to view Permissions
 - Contact the person with “Add User/Group” access & ask them to give you full access
 - OR contact DOM DRA (domdra@mednet.ucla.edu) to request access

How to set up a Professional Profile?

1. Click on People tab or Professional Profile link after logging into S2S.
2. Search for individual you want to add to ensure a profile doesn't already exist.
3. Click on the green plus sign  Person button (top, center) to create a brand new profile.
4. Every single section, except Biosketches & salary amount, must be thoroughly completed for *both Admin and PI/Staff*.
5. Hints & Tips
 - a. If individual will be a PI or Postdoc on an NIH grant, s/he must have a NIH Commons ID entered (see above "eRA Commons Accounts")
 - b. Institutional Association link with Regents of the University of California, Los Angeles.
 - c. Contact Info – ensure you use the 9 digit zip code format – 90095-1736
 - i. For 90095 – the last 4 digits should match the 1st 4 digits of person's [UCLA mail code](#)
 - ii. For non-90095 – the last 4 digits should can be located on [USPS.com](#)
 - d. Salary & Fringe Worksheet
 - i. Enter "12" under calendar months (if individual has a 12 month appointment)
 - ii. Import the Institutional fringe rate
 - e. Performance Site – check the active button & "Fill from Contact Info"
 - i. Org Name for all DOM personnel should be "UCLA David Geffen School of Medicine/Division Name"
 - ii. Save all data entered thus far by clicking on the floppy disk icon.
 - iii. Ensure your contact info is complete and accurate prior to "Filling from Contact Info"
 - iv. UEI = RN64EPNH8JC6
 - v. DUNS = 092530369
 - vi. Congressional District = CA-033

S2S/Cayuse User Access/Account

- PURPOSE: Allows a person the ability to log into S2S and prepare and/or review a grants.gov proposal online.
- This person can range from a PI, academics, research staff, Administrative Assistants to Fund Managers. Non-UCLA employees may not be granted access.
- Not all individuals with Professional Profiles need to have User Access/Accounts; but all Users must have a Professional Profile in S2S.
- Each User must have a UCLA Logon (formerly known as Bruin ID logon).
 - If s/he doesn't already have one or has forgotten his/her logon or password, go to <https://logon.ucla.edu/>. S/he must have his/her 9-digit University ID # to access this site.

How to obtain a User Account/Access?

- *After* creating and fully completing the Professional Profile, send an email to DOM DRA (domdra@mednet.ucla.edu) with the following information for the new User:
 1. First Name
 2. Last Name
 3. Email Address
 4. 9-digit University ID
- Only a S2S Grants System Administrator can set up User Accounts. Account set up is generally within 24 hours of receipt. Confirmation of account set up will be sent by the System Administrator s2sgrants@research.ucla.edu to the User directly.

S2S/Cayuse Institutional Profile

- Institutional Profiles need to be set up for each subawardee listed in DETAILED budget only.
- Institutions listed in Modular budgets do NOT need an Institutional Profile set up.

How to set up an Institutional Profile?

1. Click on Institutions tab or Institutional Profile link after logging into S2S.
2. Search for Institution you want to add to ensure it doesn't already have a profile set up.
3. If not, have the subwardee complete and return the "Request for Institutional Profile" form.
<http://ocga.research.ucla.edu/wp-content/uploads/institutional-profile-request.pdf>
4. Review form for completeness & submit to the OCGA S2S System Administrator at s2sgrants@research.ucla.edu
5. The S2S System Administrator will notify the requestor via email once the profile has been created, usually within 24 hours of request.
