Accessibility & Accommodations

Students requiring academic or clinical accommodations based on a temporary or permanent disability should contact the Director for DGSOM Disability Services/CAE Disability Specialist, Grace Clifford. Individuals interested in accommodations should contact Grace as soon as possible as some accommodations can take up to 2 weeks to implement. Discussions regarding potential disability accommodations are private and approved accommodations are shared on a need-to-know basis only. Registering or inquiring about the process will not impact the ability to match in the future.

Grace Clifford Contact Information:
Email: gclifford@mednet.ucla.edu
Phone: 424.402.9864 (call or text)
