The Implementing Procedures require that “the Advisory Committee will provide an annual summary report on its activities to Plan participants, the Dean, and the Chancellor.” This report is submitted on behalf of the Committee.

The Committee met on August 20 and November 12 in 2014 and January 21 in 2015. These were the Committee’s activities for the past academic year:

1. Developed revised Implementing Procedures under APM 671 for the Health Sciences Compensation Plan at http://academicaffairs.dgsom.ucla.edu/files/view/docs/academic-personnel/SOM_Imp_Proc_APM-671_Final_Version_3-19-15.pdf. The Committee solicited input from Chairs and Departments before completing revisions. The Implementing Procedures were then approved by the Faculty Executive Committee and circulated to Plan members prior to approval by the Academic Senate and the Office of the President.

2. Provided input to our Office of Academic Affairs regarding the development of OATS, an electronic outside activity tracking system for the SOM.

Drs. Johnathan Pregler and Christopher Saigal will complete terms of service on June 30, 2015. The SOM thanks them for their outstanding service. In an election held by the FEC, Drs. Jeffrey Suh (Surgical Specialties) and Philip Morway (Hospital-Based Specialties) were elected to terms beginning July 1, 2015.
