Subaward Amendment

OUTGOING SUBAWARDS

Subaward Amendments

- Each time there is any update to subaward contracts, a new checklist must be submitted to OST
- Common updates:
 - Continuation funding
 - Additional funds
 - Decrease of funds
 - No cost time extension
- Process of submitting subawards is similar to original set up, minus BruinBuy (BB) step. i.e. NO further changes will be made in BB
- Hint/Tip: Suggest keeping fillable version of Checklist for editing to avoid recreating the wheel. BUT new PI signature is required for each amendment!

Subaward Maintenance

OUTGOING SUBAWARDS

Outgoing Subaward: Sub Maintenance

- Ask Sub's FM for periodic detailed financial reports to reconcile applicability of expenses.
- Invoice processing steps:
 - 1) FM reviews to ensure sufficient funds & categories spent are within approved budget.
 - 2) Forward invoices to PI for review. **PI must sign** actual invoice as indication of approval.
 - 3) PI signs the Subaward Invoice Certification form. Keep on file. Do not send to A/P.
 - 4) FM "does receiving" in BB to release payment for invoice.
 - 5) FM uploads signed invoice only (not inv cert form) to Accounts Payable for payment.
 - 6) Review general ledgers to ensure invoice gets paid. If not, follow up!
- PI is responsible for assuring work has been completed by the subawardee **PRIOR** to approving invoices.
- Save copies of all signed invoices in shared drive, along with certification form.

Outgoing Subaward: Sub Maintenance

- Hint & Tips: **Receiving**

- Add all below information to Comments field to assist in reconciliation

- Invoice #
- Invoice Date
- Period of Performance
- *Invoice Full Amount**
- *Transaction #* - i.e. 1 of 2, if you need to split receiving across 2 separate lines*

** Only if applicable, usually when receiving amount needs to span 2 different receiving lines due to amount not covered by single line.*
