THE IMPACTFUL DOCUMENTARY "BENDING THE ARC" CHRONICLES THE TRANSFORMATIVE JOURNEY OF DR. PAUL FARMER, DR. JIM YONG KIM, AND OPHELIA DAHL AS THEY WORK TO REVOLUTIONIZE GLOBAL HEALTH. THEIR PIONEERING COMMUNITY HEALTH MODEL, IMPLEMENTED IN HAITI, PERU, AND RWANDA, HAS GREATLY IMPROVED LOCAL COMMUNITIES' CAPACITY TO TACKLE CRITICAL HEALTH ISSUES, INCLUDING MULTI-DRUG-RESISTANT TUBERCULOSIS, MALNUTRITION, AND HIV/AIDS.

CONVERSATION LED BY: JONATHAN LASCHER
