

Effectiveness of blocking the arteries in the elbow to treat tennis elbow

Tennis Elbow? Elbow Pain?

UCLA Radiology researchers are seeking volunteers to participate in a study to treat elbow pain.

Are you:

- Female / Male
- 18 to 80 years old?
- Failed treatment with pain medication, therapy, or steroid injections?

If so, you may be eligible to participate in this study!
Your participation is entirely voluntary.

Please call (310) 948-8026 or email ajoglekar@mednet.ucla.edu to speak to the Study Coordinator.

Visit <https://www.uclahealth.org/departments/radiology/research/clinical-trials> for complete study details and information.
