

A STRESS, TRAUMA, AND RESILIENCE SEMINAR
PRESENTED BY THE DIVISION OF POPULATION BEHAVIORAL HEALTH

BEST PRACTICES IN SUBSTANCE USE DISORDER TREATMENT: A FOCUS ON STIMULANTS AND OPIOIDS

Beth Rutkowski, MPH

WEDNESDAY, AUGUST 21 | 9:00-10:00AM

[Click here to register on the Wellbeing for LA Learning Center](#)

This seminar will be held online.

LEARNING OBJECTIVES:

1. List at least three research findings related to the impact of substance use disorder-specific stigma.
2. Recall at least three acute and three chronic effects of stimulants and opioids.
3. Explain at least two specific behavioral treatment interventions proven to be effective in treating people with a stimulant use disorder.
4. Describe two medical treatment interventions proven to be effective in treating people with an opioid use disorder.

A recording with closed captioning will be available on the STAR Seminar web page at <https://dpbh.ucla.edu/star-seminar/>.
