FRESHMEN - SOPHOMORE: SHPEP

Summer Health Professions Education Program
The UCLA/CDU SHPEP mission is to serve as a model learning community in which students examine a variety of healthcare issues affecting medically underserved communities through problem-based learning cases, lectures, clinical experiences, small-group discussions, and a research project.

JUNIOR - RECENT GRAD: PREP

Pre-medical Enrichment Program
UCLA PREP is an intensive nonresidential summer program that aims to provide promising pre-medical students from educationally and financially disadvantaged backgrounds the means of strengthening their ability and readiness to study medicine and/or dentistry.

POSTBACC - RAP

UCLA Re-Application Program
UCLA Re-Application Program (RAP) is a 12-month postbaccalaureate program designed to assist promising students from disadvantaged backgrounds who were previously unsuccessful in gaining admissions to a U.S. medical school. RAP was established in 2000, now with more than 140 alumni. A member of the UC Postbaccalaureate Consortium.
