

Parking

Medical students (except Weyburn Terrace residents) are eligible for campus parking. To request parking, you will need to fill out the [Parking Application Survey](#), have the SAO assign you a parking allotment, and purchase your ePermit online. For more information about how to request medical student parking on campus, please visit <http://medschool.ucla.edu/current-registrar#Parking>.

If you are a resident in Weyburn Terrace, visit <https://portal.housing.ucla.edu/student-housing/graduate-students-and-students-with-families/single-graduate-students/weyburn-terrace-parking> for more parking information.

UCLA also has summer parking (June 15 –September 13) available for all students (except Weyburn Terrace residents) in structures 2, 3, 4, 7, Sunset Village, and Dykstra- De Neve without needing a parking allotment. Purchase online with the [Bruin ePermit system](#).
